“ *I was always very touched by Marlyn's e-mail ministry. Even in her failing health she reached out to share the word and touch people she had never met. Her e-mails were always inspiring and uplifting. She ministered to my sister during her cancer treatment, and shared with me a greater understanding of what a cancer patient goes through. Marlyn will be greatly missed, but I rejoice in knowing she is happy and pain-free in heaven today. Our thoughts and prayers go out to her family.*

“ *Marlyn was a dear friend. We felt like we had known her forever, but our time with her was too short. She would have done anything for any of her friends. She was a true shepard. We will miss her dearly.*

Rick and Ricki Ann, we love you very much, and will be here for anything you need. Please know that you are in our prayers, and will be by your side at a minute's notice. You are blessed in that you KNOW Marlyn is in heaven, keeping a seat warm for you!

“ *Marlyn, We will miss you more than words can say, but we rejoice that the suffering is over and you have the ultimate healing. You are Home now. I will never forget how hard you tried to help me get well when I was so sick and the beautiful silk flower arrangement you made for me. Your caring, generous nature, your internet prayers for family and friends each evening, praising Jesus - and never once a complaint. There isn't enough space to say how precious your friendship has been to me. You will always be close to my heart. In Jesus' Name,*
