“ *My Family,
I'm so sorry that I cannot be there with you to celebrate the
homegoing of Alice. My health is of such nature at this time that I
cannot travel. However, I want you all to know that I grieve with you.
I found this quotation which speaks volumes of what I know about
my sister-in-law:*

*"The greatest dignity to be found in death is the dignity of the life
that preceded it. Hope resides in the meaning of what our lives have
been." -ib*

Keep this in your minds at all times, please.
