“ *Although I only met Mary one time, we went out to dinner with her and her daughter, Johnna, she impressed me with her zest for life. She was such a feisty woman, and had us laughing the entire meal. She leaves behind a wonderful legacy in her children and grand children, and will be missed.*

“ Mrs. Wilkinson,
Although I never met you in person, I feel like I knew you through your daughter and my close friend, Johnna. I know you are in a better place now, no more suffering, pain or having to fight the horrible disease of cancer.
As you rest in peace and take your place amongst the Angels, may GOD shine his light on your family as they struggle with their lost.

*Many Blessings on the Wilkinson family~~
