“ *I met Dennis at DFW. We worked together for about 25 years. He had the best demeanor and a great sense of humor -- always making everyone laugh. One thing I'll remember about Dennis is the pride he felt for his daughter and grandson. You could see it in his face whenever he spoke of them. Golfing won't be the same without you pal.*

“ *Known and played golf with Dennis for 10 years and there is no one I'd rather share a cart with. He never got mad, i.e. threw clubs, screamed profanity, etc. when hitting bad golf shots - believe me that's rare! We'll miss you Dennis. Hit 'em long and straight up there.*
