“ Paw-Paw will be missed by my family more that words can express. He was not only a great friend but he was family as well. Max was the only Paw-Paw Joey has ever had or known. We never did get to take that motorcycle ride to the coast. In talking with Paw-Paw after I bought mine I was taking bets on how long it would be before he followed suit. It took longer than I thought & I think Joey's mom thought we were both crazy.

Good-Bye Paw-Paw & may all your riding days be fair & your journey always have a never ending sunset.
