“ Our thoughts and prayers are with Uncle Mikes family in this very sad time. I will always remember his upbeat attitude and zest for life. He had great love for his family. He also served his country for which we are all grateful. Uncle Mike was a very proud man. And I can honestly say, I am very proud to have had him for an uncle. He was one heck of a person.

“ Uncle Mike it is so hard to say the right thing at this time. The last 1 1/2 years have been hard on the Doran family, so many gone. It was great to see you at my moms funeral and fun to go to the Bloated Goat with you, Dick, Bob and Nancy. I will always remember it. You were a great guy who cared about many. I will miss you greatly. Love your niece Sue. Please make sure my mother knows how very very much I miss her and dad.
