“ I remember spending the entire 2008-09 band year volunteering with Michelle. She was an awesome lady and a lot of fun! She also loved Alex so much so would do anything for him.

*My prayers are with you all.*

“ Baker family we are so sorry for your lose. I met Michelle last year at Central H.S. Band functions. She always had a smile on her face and a hand to lend. I enjoyed her company on several trip and competitions. I pray you will each find peace in knowing she is not longer suffering and you will all be together again one day. May God comfort you in this difficult time.

“Michelle, although I didn't know you personally, I have heard wonderful things about you from my co-worker and dear friend Susan. I see it in her eyes the pain of losing such a precious sister-in-law. I know your family will miss you dearly. And although we may never understand the 'why'....I hope that your family will find faith in knowing that we will see our loved ones once again in Heaven.

*My prayers and thoughts are with all the family and friends of Michelle. May you find comfort in God during this very difficult time.*
