“Michelle's spunky personality and zest for life was contagious. I was drawn to her the moment I met her, and miss her very much. I will always remember summer days at Woodlake's pool and singing "Mee-Chelle My Belle" to her. Rest in Peace, my belle.

“Michelle was a joy to be around while working with her at NSN. I will miss her bright smile and all the times we talked and laughed while at work. May her love and spirit be all around us as we go forward.
