“ *I just wanted to send my sympathy to your family on the loss of your son Miguel. My son John passed away in January at the age of 21. This will be one of the hardest times you will ever experience, but God will guide you through them. I pray that God will carry you and your family through your terrible loss. May God bless you and give you strength.*

“ Joe our thoughts and prayers are with you and family during this time of seperation, but as the bible teaches for those that know christ we shall be together again and that is where we get our comfort and assurance that we shall be re-united in heaven. God bless each of you during this time.
