“ *I was just informed of the shocking news of Mitch passing away. My heart felt condolences go out to all the people who had the pleasure of knowing Mitch, I know I will miss his cheerful voice, having never met him, but always new his word was as good as gold. He is dearly missed.*

just some words from an ol' florida boy and friend.

when the tide of life won't flow your way, and the current rocks the boat.

don't waste your tears on what could have been....

just ly on your back and float.

deepest regards, Brownie
