“ *The first time I met you, we connected instantly. I knew then that we would be life long friends. I'm sorry that I am finding out so late that you are gone. So many memories of clubbing and hunting and boating... You are a true friend. I have many acquaintances, but few friends, and now that list is shorter. I wish I could have been there to say goodbye in person. Love you "Dudeski"*

“ Mitch had a smile and a heart as big as Texas. He was a great neighbor and friend. He inspired us to be better people through his kindness that seemed to come so naturally. Our thoughts and prayers are with your family.

“ I am so sorry for your loss. I would like to say Mitch was a great friend to and i will miss him very much. The smile in this picture reminds me of the time i told him he got the job at DFW and he said "I would never regret it" and not a day has gone by that i did. Mitch will always be in my memory.

“ I am so sorry for you're loss. I never actually met Mitch but my husband Doug who worked with him was always telling me what a great guy he was and about his fun sense of humor. I know his absence is leaving a very empty feeling with all those who really knew him. My prayers are with you.
