“ I worked with Nina for many years. She was a great friend and boss. I will miss her sassy and informal ability to let you know how she really feels. I will miss her much. My prayers go out for you and yours. God Bless you all.

“ Nina, you will be missed but I know you are in a better place. You taught me a lot about Rotables many many years ago, it's something I always appreciated you taking the time in your busy schedule to do.
