“ Lou was one of the sweetest people I've ever had the pleasure of knowing. She reminded me so much of my own mother because she was so totally devoted to her kids. There wasn't anything she wouldn't have done for them. In working with Lou for so many years, I felt like I was one of her "other kids". I heard a song today that made me think it was written especially for Lou, "Everyday Angel". Lou really was an everyday angel and such a blessing to all those who knew her. She will be sorely missed.

“ I can not begin to express what and how much Lou meant to me. I have so many memories of her from working at RadioShack and how we celebrated our birthdays. I will truly miss her and I will never forget her.
