“ OH YES!! It came to me~~~ Rest in Peace Uncle Paul

*Show me the way to go home  
I'm tired and I want to go to bed  
I had a little drink about an hour ago  
And it went right to my head Where ever I may roam  
On land or sea or foam  
You will always hear me singing this song  
Show me the way to go home*

*Forever in my heart*

“ A Bublitz 'crooner'----one of the Uncles that would, at 2:00 in the morning, as y'all were ready to leave one of the Bublitz parties...would say~or start one more song to sing~~as us small kids just wanted to get home to sleep. Uncle Paul I will miss you and your yearly summer visits to Wisconsin. Aunt Sue, you have my loving thoughts and prayers and a huge long distance hug.

“ To the family of Paul Bublitz, I am so sorry to hear of his passing. I have fond memories of Paul and my association with him. I had the pleasure of hiring him as an inspector at Vought Aircraft back in the late eighties. He was undoubtedly one of the finest workers I have ever met. In all the years that we worked together, I never once had a problem with him as an employee. Paul was a man that did the job assigned to him exceptionally well, with no supervision needed. I frequently relied on his wisdom, and good judgment to make decision in my absence. I cannot express to you how much I depended on him to bail me out of tough situations when I needed someone to get a job done quickly or when no one else was willing to stay over to do it. I could always count on Paul. Again my prayers are with the family, you have loss a great man. May God comfort you at this time and give you peace!
