“ I have such loving and fun memories of Peggy. Her children gave such a lovely tribute to their mom. Peggy's warmth and love is certainly being carried on by Michelle and Charlie.

“ We were so sorry to read about the loss of your Mom. I met Peggy and your Dad at Northeastern before I even met my husband, Tom, your Dad's cousin. Peggy was always so sweet to me. While your Dad was in VietNam, she lived about a block from our first apartment. I'll never forget her kindness to this new wife. God bless.

“ Charlie and Michelle,
There just are not words to express my sorrow. Your mother was a dear person and friend. I knew when your dad called by the tone of his voice that it was not good news. I have thought about Peggy everyday and she was in my prayers. I loved her like a sister even though we had not seen each other for a while. I still have the card she sent when Richard passed away and it meant so much, she too was a dear friend to me. I will miss her as I know you will. Please know you are in my thoughts and prayers.
I am so sorry I will not be able to come to the service. I just had a shoulder replacement two weeks ago and traveling that far was not advised by my doctor. Please know I will be thinking of you and if there is anything you ever need please let me know.
Love you both
Charlotte
