

REBECCA WARREN

May 22, 1947 - September 23, 2006

Rebecca Jane Warren joined our son, Ryan, in God's kingdom Saturday, Sept. 23, 2006. They will walk arm in arm with their Samoyeds. ♂ She was a genuine Southern lady who would stand proudly and sing loudly when the tune "Dixie" was played. ♂ Thank you, God, for her life and love. Bless all her friends and others who helped her, including auxiliary medical personnel, nurses and great doctors, especially Dr. Frank Gluck. ♂ It will be one celestial day when we three will be together again, forever. ♂ Survivors: Becky is survived by her husband, Larry; and Sasha.
