“ I don't think this word came up during the funeral service, so I wanted to add it now. Granny was so gentle. Her love enveloped the entire family. There was never any doubt about how she felt for you. I will miss you, Granny, so much. I'll miss those phone calls and the weekend visits. I know you are with God now, so you are more whole and more happy than I can imagine. Please keep an eye on us. You will always be in our hearts. I will miss your beautiful smile and bright eyes. Thank you for your unconditional love and support. You will be missed! April Dawn
