“ *My memories of Richard are a loving, caring and a fun cousin. As a child growing up we would go and visit Aunt Boots & Uncle Vern. Richard, Tim and David would always have us laughing, it was never a dull moment. It was always fun hanging with him and visiting. He had a big heart and would do anything for you and stood up for what he thought was right. Richard will be truly missed. But, I know he has left behind a legacy in his children, grandchildren, brothers, the rest of his family and friends.*

*God Bless to All of you
Love,
Stacie*
