“ Richard was one of the most remarkable people I have ever known. He was constantly trying to make every one comfortable. He never met a stranger. Our family will be forever grateful that Misty found Richard and brought him into our BIG family. We dearly loved Richard and we are grateful for the time we got to enjoy him. Thank you Lord for our Richard!!!

“ Our family will always remember you Big Dog...for the heart that you had, the biggest smile in the world that you carried everywhere you went, and for the love that you had for not only your family but as well as your friends. It was a pleasure being able to say we knew you and were your friends. You always knew how to make everyone laugh. There was never a dull moment when you were around. I enjoyed playing semi-pro football with you. I have to say it was the greatest time I had since high school football...even though you wined about my karate chop to your hand for months... LOL! I LOVE YOU MAN! :) We will keep you and your family in our thoughts and prayers!! We will do everything we can to help Misty and the kids through this difficult time. Don't worry about Dawson...he is going to be a great athlete just like you were... I will be sure of it!! You will be in our hearts forever and we will never forget you!! Rest In Peace Richard!! We love you! :)

“ Dear Smith Family: I am a homeowner in McKinney and Station 5 is my station. I know a few of the firefighters at the station and on August 25, 2008 my husband had to call 911 for me. I was diagnosed with a kidney stone. Mr. Smith was on duty that morning. I remember his big smile, humor, and professionalism during our brief encounter. My heart aches for your loss. I know he is in Heaven watching over you, making the angels laugh, maybe he is dressed as a clown. I will continue to pray for your family. Richard will not be forgotten by his comrades or the homeowners in McKinney that called on his services while here on earth. May God continue to bless you and watch over your family.

“ *Hello, Misty and Family*

I didn't know richard, But we where ask to pray for your husband and family, thru Mary Wolfe. My daugther Brittany Horton works with Mary. as soon as I heard the news about your Husband I picked up the phone and called my sister in Houston and also had her and her church praying for Richard, every hour that we was awake, and lifting him up to the Lord to asking him to heal Richard and bring him home to his family soon. I wanted to let you know that we never gave up in the prayer department for him. I was always asking Mary and Brittany how he was doing? I wanted to let you know that our Prayers are with you and your family. May God Bless you.
