“ *How sad I was to hear of Rick's passing! We had such great times at his second home, ExxonMobil. Words can not express how much he will be missed. Ricky was there to lend a helping hand any time someone needed it.
Cathy, Jason and Brandi, my prayers are with all of you at such a devastating time.*

“ Ricky will be remembered forever at his place of employment. His second home. Exxon Irving terminal. I have known him more than half my life, and what a great human being. If we could all be as thoughtful and giving as Ricky. What a world we would be living in. Always there for his co-workers for whatever they needed. Would give his last dollar he had to help us out! We all love you Ricky and just know now you are in peace and pain free. I know you hate to leave your family behind but you knowing you will be reunited with them one day, I am sure gave you and gives you today great comfort. We the Exxon family will always be there for your family and care for them as you have cared for us all these years! Love you buddy! Ricky Stowe

“ *I will always remember Ricky as the nicest person I ever met. I don't think he knew how many people loved him and cared about him or how many lives he touched. You and your family will always be in my thoughts and prayers.*
