“ I still remember the night we were out on a highway chasing jackrabbits – just chasing – not expecting to catch one. Robbie had run for a while so I sat on the hood and he drove. He drove after one and when the rabbit suddenly turned, he stopped. I didn't. Ever tried running 15-20 mph. He caught up with me 300 yards down the road. He really felt bad about it so I said it was his turn again and he said maybe we better stop for that night.

“ Janice, Ryan, and Carissa, We were so saddened to hear that Robbie passed away. You have been in our thoughts and prayers. We were so sorry we were unable to attend the visitation or funeral because Kay was ill and Steve was out of town. We know that words of comfort don't take away your pain, but please know that you are surrounded with love and prayers from many friends who are thinking about each of you.

“ While a new building for Lindsay St. Assembly Of God Church in Denton while we were pastors 1977-1990. Robbie was such a blessing to our efforts, helping smooth out some of the problems. His friendship, attitude, christian ethics were a testimony to his relationship with his lord. We pray his family will find great comfort in his legacy...

“ Robbie Baughman...our loss, Heaven's gain. A man of God who's light will always shine in our memories. His relationship with Jesus was obvious...he never had to speak a word. We will never forget him, his devotion to the Lord, his musical talent, and his mischief. He was loved and he will be sorely missed.

“ Janice & Family,
I was so very sorry to hear of the passing of Robbie. He was such a wonderful man with a very loving and wonderful family. I have prayed for all of your family everyday for over 3 years. Sherman loved Robbie so very much, and now they will have plenty of time to talk and remember the good times they had working together.

“ I met Robbie in the late 1970's when he worked for the City of Denton. My dad was rebuilding a church in Denton and Robbie was the inspector and gave him so much assistance and was so gracious. Then a few years ago Robbie became a real estate agent at the company where I have been an agent for 13 years. As you would expect, his ethics were impeccable and he was a joy to work with. We will miss his kindness and positive attitude..
