“ *Bob was always ready to serve wherever needed. His life has been a testimony to those who knew him. I know the angles are singing to have Bob in their presence.
May God richly bless Margo in this difficult time.*

“ *The Carstarphen's were our neighbors in Hurst when I was 7-8 years old around 1970. Their persistence lead my parents to finally attend N. Richland Hills in order to keep our pesky neighbors from hounding us each Sunday :) Long story short, my entire family ultimately became Christians because of those pesky neighbors that we love! Bob will be greatly missed here on earth, but my dad will have a great friend in heaven to visit with now. Our thoughts and prayers go out to Margo and the entire family!*

“ I have many wonderful memories of Bob from our days at The Millers. He was a true gentleman in every sense of the word. His smile was contagious and his love of God was too. May God continue to bless your lives as Bob did ours.
