“ Dad, you will always be in my heart. You were the greatest father-in-law a girl could ever have. I love you.

“ I love you Grandpa and I want to thank you for all the wonderful memories of my childhood. The rides in the back of your pickup to get slurpees, the summers at Lake Whitney, the talks at the kitchen table while you had your late night bowl of shredded wheat. The time you had us kids try your Red Man - boy were we sick - to let us know how bad it was for us. These don't even touch on all that I have stored in my treasure chest. You are a sweet man and the best grandfather a kid could ask for. I love you - Lisa
