“ Robert came to work on our church in Bayou Vista several times and we learned to love him very much. The downstairs of our church will always be a memorial to Robert because he worked so hard and he loved doing it. I guess our Lord needed another good worker. We will miss him and never ever forget his kindness. He touched our hearts.

“ Robert was part of a team who came several times to help rebuild our church after Hurricane Ike. Robert worked, laughed and ate with such joy! He endeared himself to all of us with the way he spoke with such love and pride about his family. Our church family will be praying for April and the children in the weeks and months that come. May God hold all of you close in His arms.
