“ *"A beautiful life" sums it up! Mr. Bob loved everyone, was crusty
with everyone and everyone was equal. I will never forget that from
my time at St. Paul. He was always fair, always loved the kids and I
always knew he was there if you needed him.
He will be greatly missed but heaven has gained a truly master
carpenter and man who loves all.
I thank GOD for the privilege of having called him a friend. I
remember so vividly when I had to leave St. Paul, he was the
faithful one to come ask if I was okay. That meant the world to me!
He'll always have a special place in my heart.*
