“ *My dad was a great man who was without a doubt rough around the edges but had a huge heart and was willing to help anyone he met. He whole heartedly believed that everyone deserved a second chance in life and did his best to help lead people in the right direction. He loved his family and an awesome Papaw. He will be missed but will never be gone from our hearts. I love you dad!*

“ *It's with my deepest sympathy my heart goes out to all of you, his family. Although his life was short, he touched so many lives, even those of complete strangers. Roger's kindness, generosity, and big heart will never be forgotten but locked away in my memories and those he touched. He was a good man who loved his family and worked hard to provide the best for all. I know there are many of us who loved him dearly and it will be a fight to move on with the big void we now are faced with. The only consolation I can find at this time is that he is back again with his true love, side by side, for eternity. I love you Roger, may God rest your weary soul and welcome you home.*

*Deepest Regards,
Bobi*
