“ I'm sorry to see that someone so young was taken in such a stupid way. I read how he was such a nice guy and everything... but he was a gang member. No better than any other thug on the street in a gang. Because of a group of adults that still run around acting like kids in their little bike clubs this kid is dead. These idiots need to grow up. Life is too short for this stupidity. I'm sure Roger was a good guy and I am sorry for the loss... but next time you see some dumbass wearing his gay club colors, remember that it's an idiot like him that helped kill Roger.

“ Roger was the most kind hearted sincere person I have ever met. He always kept a smile on the faces of those around him, and he gave the absolute BEST hugs. His concern for the well being of those around him was unreal. He was always checking to make sure everyone was doing okay, and had whatever they needed before even considering himself. I will never forget joking around saying we were best friends, or the nights we'd spend laughing and hanging out with our friends when he'd drive out to Justin. I'll miss you Roger, Rest In Peace hunny.
