“ I met Ronnie when we were in the 6th grade at Crooked Oak. He was our best man when we eloped 50 years ago. He did part of the driving from Oklahoma City to Poteau, OK. before I-40 was built.

Another time he had thrown a rod through his engine in a 49 Chevy and he and I changed the engine out in one night at the service station I worked at.

Ronnie was a good friend. I've often thought of the good times we had. My condolences to his family.

“ My husband and I had the honor to meet Ron and Tess when we bought a home next door to them. He was also smiling, working hard in the yard and always kept us entertained with his life long stories. He was always there for us and my family. Even when my husband was gone for work, I would wake up and see Ron doing our yard. I would tell him he didn't have to do it and his response was " I told Monte I would make sure everything was ok while he was gone" and that he did. Always gave a caring hand and had a watchful eye on anyone he came in contact with. He will be missed but will always have a place in our hearts! Love you RON!
