“ *I am so blessed to have known this great man.He has touched my  
life in many ways and I'm sure he has touched alot of other peoples  
lives also.He loved the word of god and loved to share it with  
others.Sharing the word of god was a lifelong pasion of his that he  
enjoyed.His faith,he instilled on me and many others like a drink of  
water for the soul.I will miss him dearly as will many others.He loved  
me like a son,he said to me one day,and I knew it was true,I could  
see it in his eyes,and that really gave me comfort to know.He had a  
wonderful adoptive spirit that could only come from god.God  
Bless,Larry*

“ I am so blessed that my dad chose me to be his daughter. I love my father very much and I know I will see him again someday. Everyone he came in contact with, he shared the word of god, and wished that it would touch them in a special way that could only come from god. To share the word was not a weakness for him, but something he loved to do. I know he will be missed greatly by many many people he has touched. God Bless, His loving daughter, Annette
