“ *To My Friend, Ruby,
What a special person you were to me. I will always cherish the times spent visiting with you and Wilbert; you and May; and the long talks between just "you and me". You have touched my life, and the life of my family, in such a special way. From the time I first met you, you always made me feel like I was a member of your family. You will always hold a special place in my heart. I love you, and I will miss you.*

My prayers go out to all of your family. I know they will miss you a lot!!

*God Bless,
Cheryl*
