“ *The Othoe and Pearl Stegall family send heartfelt love and prayers to Russell's family. We were so very happy to have him attend our father's (Othoe) 80th birthday celebration and later his funeral. We know that he and Russell are now rejoicing in their rewards for their loyal service to God through their ministries. (Mother and Daddy were saved under Russell and Herman's father's ministry, and Daddy was a minister for approximately 60 years.)*

May God bless you, Pearl, David, and Sue Stegall
