“ Russ was my boss in the Houston Anadarko land department for several years. We immediately became friends and have kept in touch even though we went separate ways in the business industry. He was the kindest person and taught me so much that has helped me in the land profession. I miss him.

“ In '99, at UPR, my boss asked me to prepare a short class on federal leases for our land admin. clerks (6) then secretly invited all the attorneys and landmen (20) (including Russ). Russ saved me by sharing his extensive knowledge of federal leases and our land grant history. This is the kind of great guy Russ was. I will miss our chats.

“ Russ was a wonderful friend and co-worker! I think of Russ as a gentle giant. Russ was a hardworker and very loyal to his friends and employers. It was an honor to work with a man of such integrity and I am glad that Russ was my friend!
