“ *Sandy was my very good friend for 17 years. Our sons, Kevin and Matt, now 25, became friends when they were in third grade. They were best buds, spending their growing up years going back and forth between our two houses. Sandy and I soon discovered more things that we had in common. We were both early childhood teachers, and she often encouraged me to come to Midway Park Elem. to teach with her there. In 1999 I accepted a Kindergarten position there. We taught together for five short, happy years. Sandy continued to support me after I left Kindergarten. She was a good friend, one who was fun to be with, who laughed easily, and taught me the meaning of "living life to the fullest". She will always be remembered with love, admiration, and gratitude that I knew her.*
