“ My mom best mom anyone could ask for. She was always there for  
us when we needed her even when she wasn't at her best. We  
might have had or ups & downs but who doesn't. She has suffered  
for a long time. She is finally at rest. She will truly be missed. I  
LOVE YOU MOM!!!!

“ I am related not by blood, but by love to Aunt Sharon. She has been as big a part of my life as anyone could have ever been. We've shared secrets, heartache and tons of laughter throughout the years and she always made my family and I welcome in her home. No matter the hour, her door has always been open as well as her heart. She is terribly missed and her absence has left a void in the hearts of many. We love you, Aunt Sharon.
