“ HAPPY MOTHERS DAY MOMMA....
I wish you were still with me..here, I really need you to talk to. Life has been very challenging and I know you would tell me, it will be ok. Just to hear those words coming from you would help me so much. I love you momma and I miss you still so much I really need you now more than ever. All your children could use your love and support at this time and always, you were taken way to soon from us, God must have needed you more. I cannot wait until I see you again on that day I will never want to let you go.

“ *I LOVE YOU I LOVE YOU I LOVE YOU. I MISS YOU I MISS YOU I MISS YOU. I NEED YOU I NEED YOU I NEED YOU, ALWAYS. This is very hard I cannot let you go. But I have no choice. Please God keep her in your loving arms and let her know how much we love her. Please lift the pain from our hearts and give us who miss her so, some sort of peace. I would give anything to just hold her one more time, hear her laugh one more time, but then that would not be enough to satisfy my selfishness, I know then I would just ask for more time. God take care of my momma please you called her home and I just miss her so much. I am lost without her and I am so empty inside. Please help me through this and show me I will see her again. So that I may let go and move on until I see her again. In Christ name I beg you to help me through this. AMEN.*
