“ *My Mom was the most caring and thoughtful person I've ever known. My Mom put everyone before herself, every moment of every day. It was not until everyone was put to bed each night that she got to sit down and breathe. My Mom was the most giving person you could imagine. She would spend countless hours a week making meals for our family, and would refuse to eat until everyone else had a healthy portion of food. This meant that sometimes, she would get only the scraps.*

This is what makes an amazing person. This is what made my Mom! She was the most amazing woman you could imagine! Her family and her faith were everything to her! Everything she did was to benefit our family. I pray that I'll be the kind of Mom, wife, friend, and Christian that she was!

I miss you SO much Mommy! I feel so lost and alone without you! I suppose I feel somewhat comforted seeing the legacy of a woman you left behind in me and our family! I love you so much! I am looking forward to seeing you again in my dreams as I sleep, and in Heaven again one day!

“ Mom, I love you so much! And I will love you more every day, as I always have. I rejoice you are with Jesus, singing and dancing, praising Him forever. You have been made perfect in Him, and nothing can ever hurt you again. You are now perfect! We will be with you again, one day, for eternity. Until then, know how much I love you. You are the best Mom I could ever ask for, and I am truly honored to be your daughter. I LOVE YOU!!

“ Sherry was a wonderful lady that brightened any room she walked in to. Although I only knew her briefly, Bruce and Sherry were part of our 'family' in the Denver area. My thoughts and prayers are with Bruce and the extended family.
