We'll always remember that special smile

That caring heart.

That warm embrace

You always gave us.

You being there for dad and us,

Through good and bad times

No matter what.

We'll always remember

You mom because

There'll never be any one

To replace you in our hearts.

And the love we will always

Have for you.

“ God saw you getting tired and a cure was not to be, so he put his arms around you, and whispered 'come to me' with tearful eyes we watched you, and saw your journey away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest, god broke our hearts to prove to us he only takes the best! Those that touch our lives live forever in our heart's! Ms.Shirley you were one of a kind! Life at Kroger will never be the same without you. Your Kroger family will always love you and remember all that you brought to each and everyone's lives. You could always make me (us) laugh, you were such a character! We are all so lost without you, your chair will always be where you left it, at the request of your dear friend Susan Stringer. I know you are watching over us and I know you will keep us in line :) I will always respect and admire your strength, you fought a courageous battle. Rest in peace your with Doug again and I know he welcomed you with open loving arms. I will miss you my friend....until we meet again. Forever in my heart, Love, Tawana
