“ Dear Kim,
I am so sorry for your loss. Words cannot begin to express how much I am thinking about you and your girls...the last few times I saw you, you were getting married in Chicago + then having Steve bring your girls to our house and him talking about how much your kids meant to you that you were switching swifts @ work, so that you guys would not have to put them in daycare. I remember how sweet Steve was, to take in our cocker spaniel and watch her for us. How he laughed out loud and made us laugh even louder! You planned a special 30th Bday Party for his friends at a downtown FW Mexixan Restaurant and there were lots of people there, to celebrate his day...I will never forget his love for you @ your wedding, his commitment to you and your girls, and his fun-loving nature for NFL Games & NASCAR.

“ My deepest sympathy to you Kim.

Steve was a great friend. From grade school, high school and beyond Steve would do almost anything to help. Memories there are so many. From walking to the local arcade during a school closure while it was -26 degrees outside to playing intelavison at his house to playing basketball and strikeout at holt playground in Milwaukee to visiting him at Plattsburg afb and his 40th birthday party in texas. Im really grateful and lucky to have known him.
