“ I have had the priveledge to work with Theresa for many years at Wedgwood Middle School. She is such a wonderful person, always had a joke or funny comment. She loved her students and they loved her back. I still cannot believe she is gone. I will miss her so much and thank God that he brought Theresa in our lives and call her friend.

“ Teresa always had a smile on her face when she greeted all who entered her classroom. She supported and encouraged all students to excel...a life skill that many still carry with them. Judith my thoughts and prayers are with you.
