“ *My sister Thelma was very disciplined, love to work; flexibility was not her strong suit - but - she loved me and my kids and my grandkids. She was strong, capable and a very good business person. She was good to our parents and I will miss her.*

“ *Aunt Thelma treated me and Jeff as if we were her own children. (Perhaps, even better as she could always send us home if we got too far out of hand. Something she never did.) When our children were born, both Thelma and Uncle Ed cuddled and loved Lauren and Luke with the same love. They were such loving and special people.*

*We love you and will always miss you. We are all better people because we shared time with you.*

*Welcome Home!*
