“ There are many good memories of Tommy to pick from...softball games, football games, and out and about in town. However, I'll share my favorite. During a particularly stressful time of having no washing machine and a family of 6, I was on the square doing laundry. My husband had an ambulance emergency and had to leave. I was about to cry when Tommy walked by and saw me through the window. He came in, grabbed my laundry and started helping! He carried baskets, played with my kids, and kept me company until my husband came back! I don't think I ever told him how much that meant to Wendell and me. He will be missed by all whose lives he touched!

“ *My condolences to the Purcell Family.*

Tommy always took pride in his family, friends, and work. He had an affection for life, that most of us took for granted.

May the Lord's blessing be a comfort to you in your time of sorrow.

“ I am so deeply sorry for your lost. I didnt know Tommie per say, but my son did. We used to live on Prairie St., and every night my son would meet Tommie @ the park and b/ball with him. My son would always wish Tommie the best, he always wanted Tommie to do well. It's hard to discribe how my son felt about Tommie. At times he would ask me if Tommie could move in w/us, but at the time I was a single mom & barely making ends meet. Thank you for letting me share some moments of Tommie, I will keep your whole family in our prays. God Bless you Tommie & your family.
