“ It was only two weeks ago you said hello to me at the soccer game. You asked how I was doing health wise and that meant a lot. Little did we all know that would be the last time I would see you. We will all miss your booming voice at the soccer fields cheering on your son Ozzie. Rest In Peace Tim, Rest in Peace, and God Bless you and your family. I hope that they will find comfort in knowing that you are in a better place. God be with you.
