“ Brother, I'm still in shock that your gone, but I pray its going to get easier as time goes on. I miss you so much, and I wish I had just 1 more day with you, but hopefully one day I'll meet you and Daddy in Heaven. I guess God needed one more Angel in Heaven. I love you Tim, and I miss you more than you'll ever know. Love ya, Karan

“ Dear Brother,
Its been over a month since you've went to meet the Lord, it still hurts so bad knowing I can't see you, and talk to you every day. I'm going to remember your smile, and all the fun we use to have together. Your little neice, Chasidy misses you so much, she cries when she see's your picture, but I will keep your memory alive, and I will let Chasidy know howmuch you loved her. I love you brother, and hope to meet you again one day in Heaven with Daddy. Love ya, your sister, Karan

“ Dear Brother, I just can't believe your gone. I'm going to remember the good times we had. Everywhere I go someone comes up to me, and tells me you were always smiling, and that you had a heart of gold. You've been there for me when my boys got into it, and we together took care of Daddy when he was sick. I hope you know that we love you, and we miss you so much. The pain in my heart is heavy, but I have to remember that your with Jesus, and with Daddy. I'll miss seeing you everyday, but I know your looking down from Heaven, and watching over us. You were so loved, but Tim you'll never have anymore pain and someday I will meet you and Daddy in Heaven. I love you brother, and your at peace now. Love ya, baby sister, Karan
