Todd was a devoted husband and exceptional father who put the Lord Jesus Christ and his family first, seasoned with a Gig'em Aggies spirit. He was an avid student of scripture, in pursuit of God's will in his life. His steadfast and everlasting love that he had for Dee was evident in every aspect of his life. He supported his children with words of faith, hope and encouragement in all of their endeavors. His pride for his children was immeasurable, always supporting his children in their activities such as cheering and ice hockey. He was a proud supporter of Keller Athletics, especially the Keller Ice Hockey organization where some of his most memorable moments were watching his son Bryant play the game that both of them love. Todd was in awe of his daughter Jordan's beauty, both inside and out. He was amazed at her spirit and was so proud of her continuing the family legacy of attending A&M. Todd had many close friends and cherished each and every one of them. He was loyal and thoughtful in all circumstances and always ready to help out, share a laugh or offer a shoulder. “ I grew up in Houston with Todd, Jan, and Mark. I have wonderful childhood memories of all the Kilkennys, even though at the time they seemed SO much younger than !! I am so sorry to hear of Todds death and I am keeping all of you in my thoughts and prayers. I am planning on attending the visitation tonight and look forward to seeing the Kilkennys I knew and meeting the ones I have not yet met. My love to all, Gail

“ Todd was such a great guy and such a very dear friend to me. In our years at A&M together we had so much fun. We especially enjoyed our canoeing P.E. class we had together taking a trip down the Brazos to become "certified canoeing instructors" a title both of us used after our names (CCI) for years to come as if that meant we were "something"! He really enjoyed watching me get in trouble in class for messing with him as if I were in 4th grade (maybe I was acting like a 4th grader!!).. Todd also helped Greg load me on the bus from College Station to Austin playing "visually impaired" with my sunglasses on to get my labrador to Austin with me.. laughing that I would never pull it off...

I spent a lot of time at the lake house with the Kilkenny family as if I were a part of their family.. Easter..many occasions... and this continued for the years I lived in Austin..and Todd was in Houston..even though I moved further away we still kept in touch... I know how much he loved and was proud of his family as he should be..

I will always remember so many years of fun we had together and be grateful for his wonderful friendship.. and I will always miss him...I feel like a part of me is gone now also.....

good bye Todd C.C.I...

from your fellow canoeing instructor... Jean, C.C.I.

“ Todd was a dear and wonderful friend to me. We worked together at AAA Texas but he was so much more than a co-worker. He was a true friend. He was such a good man and I will miss him.

Dee, my prayers for strength and comfort through your faith will be with you, Jordan and Bryant. Take care of each other and hold your precious memories of Todd in your hearts. He is in a wonderful place.

“ I am very sorry about your loss. Todd was a kind person who I not only worked with at AAA Texas but more importantly that I became friends with over the past 10 years. He was a Christ like person who enjoyed helping others. I will miss our many phone conversations in the years to come.

I pray that Dee, Jordan and Bryant will be given the strength by our Father to endure this loss and always remember the love that their husband / dad had for them. God Bless! Tim Killian

“ My brother, sister and I grew up with Mark, Todd and Jan. I have wonderful memories of the many celebrations our families shared...Christmas Parties, birthdays, anniversaries, weddings and weekends at Lake Travis. We lost touch over the years. My thoughts and prayers are with Dee, Jordan, Bryant, Bob, Mark, Jan and the entire Kilkenny family.

“ I attended Texas A & M with Todd during the early 80s. We were neighbors and spent a considerable amount of our time playing practical jokes on our fellow neighbors. One time we actually got into Todd's apartment while he was at class and placed all of his furniture in the parking lot exactly like it was situated in his living room (lamps and all). When Todd got off the shuttle bus he was shocked, but of course laughed and got us all back at a future unsuspecting time. I will never forget his great smile, easy-going ways, and his love for his family. He was certainly always someone you wanted to spend your free "fun" time around. We exchanged Christmas cards over the years, but unfortunately didn't get to visit as much as I'd have liked. Dee, Jan, Mark, Jordan, Bryant, and extended family-----You are in my prayers....and I mean that---
Sincerely, Julie Kunkel Patterson
