“ Tom Barnett, its almost impossible for words to describe how amazing this man is. Tom made it possible for me and many others to have to life that we have today. Joining the Air Force wouldn't have been possible without the inspiration and motivation provided from Tom. He was a great public servant and the most inspirational person I know. Tom was always there to help night or day. There are no words to express my heartfelt sympathy to Christina, wife of my good friend Tom Barnett and their two beautiful children, Jessica Lauren and Caitlyn Renee. May you be wrapped in the wings of angels and given strength to get you through these next days and weeks for the loss of a great man who was always willing to help out in the community, always spoke of his family with great admiration and will be truly missed. You will forever be in my heart.

“ My best memories of Tom are his reports after ministry opportunities through church. Tom often gave reports of visits with the kids he had encountered in his detective work. He knew they needed a relationship with his Savior and he got such joy in getting involved in their lives so that he could demonstrate God's love to them.
