“ Tommy met my dad, Eladio Gonzalez, at the Bedford Senior Center in Dec 2011 and immediately made him feel welcome. My dad enjoyed talking and playing dominoes with Tommy and considered him his friend - so much so that he gave Tommy four watches over Christmas. Nevermind that my dad forgot who he gave them to. :) The few times I stayed and played dominoes with the guys, Tommy made me feel very welcome as well and I enjoyed his company. He will be missed.
