“ Treva was my patient and I had the privilege of seeing her everyday. I have some very fond memories of my visits with Treva and remember some good laughs that we had together. While you have had a loss in your family, Treva is at peace. No more pain and no more suffering. She has gotten her wings and will be with you everyday. I am sure that each and everyone of you have your own special memories of her... Hold dear to them for those are yours and can never be taken away from you. My thoughts and prayers are with you!!! Thank you for giving me the chance to know her.

“ I was so fortunate to be Treva's hospice nurse. She had such a wonderful sense of humor, she often made me laugh, she made me love her!
