“ I had the pleasure of being a teacher of Trystan and Skylar for the few short years they spent in Albia, IA. I remember them both as being very bright, very creative kids. I was shocked by Trystan's death. He has grown into a handsome and from what I read, wonderful young man and a gifted athlete. Please let Skylar and Trystan's family know what an impact they have had on my life and teaching career. I am so saddened by Trystan's death. I am lucky to have had him and Skylar in my life. They have left lasting memories.
