“ I have known Val for almost as long as I can remember. When I think about my favorite memories then I think about how much fun we had when my mom, her, Misty and I lived together. I remember when she would come in to Misty's room in the morning screaming "wakey wakey eggs and bakey". I remember she made the best goulash and cornbread for dinner. I remember when we would go to the movies and sneak in kfc and just shamelessly leave our trash in there. We had 80's birthday parties and christmases and degrassi marathons. Val would do anything for the people that she loved and no one was more appreciative of when people did things for her. She had so much love to give and I feel blessed to have received it. I will miss you. Love Kristi

“ Val was in our family for over 20 years - so many good memories of good times together. She will always be remembered for her love and devotion to my sweet great niece, Misty, and for the love she always had for her beloved dogs. I'll miss her laughter and her approach to the hardships in her life. Much love to you Val - and I have a feeling that Scooter and BG were waiting to greet you.
