

Veronica Diaz-Burt

November 11, 1964 - April 1, 2010

Veronica was born in Corpus Christi to Benjamin and Hilda Salas Diaz on November 11, 1964 and raised in Houston. In 1983, she graduated from Bellaire High School in Houston and pursued her college degree at Southwest Texas State University in San Marcos. Throughout her career, Veronica established herself in the financial and insurance industries, and at the time of her passing, was studying to achieve her lifelong goal of being a graphic designer. Calm and easygoing, Veronica will forever be remembered as a loving and caring mother, grandmother, daughter, sister, cousin and friend, as well as for her extraordinarily sweet and warm disposition. She lit up every social gathering her family and friends were fortunate to share with her. Greeting her in heaven were her father, Benjamin Diaz, who preceded her in death in 1985, her grandparents, Delfino and Elia Diaz and Aristeo and Petra Salas. Her family is comforted knowing she is under their wings. Survivors: Left to cherish Veronica's memory are her daughter, Jessica Lynn Burt and granddaughter, Mia Marie Yeley, mother, Hilda Diaz Carranza and husband Ismael; sister, Monica Y. Townsend and husband Jack; nieces, Rachel and Renee Townsend, numerous uncles, aunts, cousins and friends.

“ Veronica - I did not learn of your passing away until Nov. 11, 2010. On that day I stopped by your Facebook page to wish you Happy Birthday. I happen to read down the page and see the beautiful postings in your memory. We were great friends in High school and I will always remember the friendship we shared. I was truly excited to find you on Facebook and enjoyed the brief email messages we shared through facebook. I still have the email messages you sent, they were so sweet and thoughtful. I am never going to erase them. Lately I had been wondering why I had not heard from you in some time. I know you were a proud Mother, and Grandmother. I am thankful we were friends. I am very sad to hear of your passing. I will always remember my friend Veronica - RIP

“ God has taken another one of our beautiful Diaz family members. Veronica will always be remembered by our family as a beautiful cousin who was smart and strong willed. These are traits that we respect and see in many of our family members. One of our daughters will carry on her name. We will always remember Veronica and Monica as one ... where you can't say one without the other. Our sympathy goes out to our lovely Aunt Hilda, cousin Monica, and Veronica's daughter Jessica. Our hearts go out to you and your family. May God Bless you during this time of grief.

“ *"Just look at them, aren't they gorgeous" was my brother's favorite phrase when referring to his daughters, Veronica and Monica. You two were the pride and joy of your parents.*

Although your unexpected passing has saddened us so much, I know my brother had a big smile and open arms when he met you in heaven.

Our love and prayers will always be with you and your daughter, Jessica and granddaughter, Mia.

“ I remember the cousin I admired so much as a child. Veronica was always so beautiful and fun to be around. My trips to Houston with my family were always well anticipated knowing I would get to see my cousins, Veronica and Monica. I will always remember those special times we spent together.

I am comforted knowing that you have been welcomed loving into Heaven by our grandparents, your father, and all your loved ones who have gone before you, right alongside our Lord, Jesus.

Veronica, may you rest in peace. I love you, my beautiful cousin...
